PRODUCT LINECARD

WWW.CFTRM.COM

Automatic Transfer Switches (100-4000A)
Bypass Isolation ATS Systems
Generator Paralleling Switchgear
MV Switchgear

Traditional Bid & Spec UPS & Battery Systems
(10-4,500kVA)
N+1 Internally Redundant, Modular, Scalable, UPS Systems
(20-2,000kW)

Modular High Density Data Center Cooling Solutions
(Chilled Water, DX, Glycol, Condenser Water)
Ultra-High Efficiency In-Row Cooling with Hot Aisle
Containment

Data Center Server Cabinets (Racks) and Accessories
Rack level Power Distribution and UPS
APC Power and Environmental Monitoring
NetBotz Integrated Monitoring and Surveillance

High Resistance Grounding Systems
Power Resistors
Protective Relays
Ground Fault Protection Systems

Unit Medium Voltage Substations with Integral Low Voltage
Distribution Sections
SF6 Applications
Oil Filled Applications

Battery Monitoring Solutions
Data Power Monitoring recording and reporting services
Pre-Wired and Monitored Battery Solutions

UL Listed Pre wired Power Distribution Whips for Data Centers
Fully Labeled and Terminated, Available in Multiple Colors
AirGuard, Data Center Cable Pass-Through Air Dividers

UL Listed Battery Spill Containment Systems
Spill Clean-Up Kits
Hydrogen Detection and Metering
